About Us

Artisan Technologies was founded with a single mission: to offer innovative and effective support, while establishing and maintaining valuable, long-term relationships. We approach each of our projects with fresh eyes to craft customized, unique strategies. Artisan is a small, minority-owned business located near Wright-Patterson Air Force Base, Ohio. Our prime location has allowed us to form many beneficial relationships and obtain a portfolio of subject matter expertise across many platforms. We will leverage our strategic partnerships and past performance to provide reliable solutions to any problem.

Past Performance

As a small business with extensive experience on federal projects, we have garnered unique skills that can be quickly implemented. We have assisted on projects in the following areas: Financial Management & Systems Support; Depot Maintenance & Infrastructure Modernization; along with Data Entry & Administrative Services. Listed below are some of our recent satisfied clients.

AFLCMC/AFSAC

AFSC/LG

88th Medical Group

Why Artisan?

We benefit from having hands-on experience at various levels within the federal government. Our quality staff has the expertise to complete any project lifecycle from inception to completion. Whether it's a project that includes technical writing, ranging to program management, we excel in a wide array of services. The mission and customer satisfaction always remain as our top priorities.
